Mr. Wisner:

[REDACTED]

(CONTINUED)

Approved For Release 2002/10/21 : CIA-RDP80B01676R002300110008-9  
 Mr. Wisner (Cont'd.)

b. Noted that it was about time for [redacted] to return to Headquarters for a tour of duty and recommended [redacted] as his replacement. The DCI approved.

c. Noted a cable from the Senior Representative [redacted] referred to at yesterday's Deputies' Meeting and stated that a paper was about completed on the subject of [redacted]

[redacted] situation; (2) he was not return to the U.S. for consultation and asked DD/P to furnish him with his recommendations on the above-mentioned cable.

d. Raised the question of an operation in a certain Latin American country and, after some discussion, the Director stated that from the way this matter had been handled he did not believe we were adroit enough to mount this project however, if "anyone" would give him an airtight plan, it would be given full consideration.

Mr. Amory:

a. Noted that Adm. Espe would be here for luncheon on Monday, 22 December. The Director stated he would be unable to attend.

b. Asked the Director if it would be necessary, as a result of yesterday's NSC meeting, for CIA to produce another estimate along the lines of SE 28. The Director noted that it would and should be done as a matter of urgency; however, all that was needed was to reaffirm the information contained in the original estimate (SE 28). In connection with coordination on the new estimate the Director noted that while it was our own we should get as much coordination from the IAC agencies as possible.

c. Noted that a report had been received that the East Germans would suspend their present economic plan and initiate a new plan concentrated on factory production of materials for rearmament.
